

Adopt a Rider Program

Objectives:

- 🚲 To provide Riders a fun and easy way to enhance their involvement with the Ride.
- 🚲 To increase school spirit about the Ride.
- 🚲 To provide the students with a Rider whom they can cheer on and support.

Riders can:

- 🚲 join NCMEC Educators during an Educational Pep Rally to talk about bike safety.
- 🚲 attend a program after school or in the evening (i.e., after school program, Scout meetings, etc.) to talk about bike safety and plug the Ride.
- 🚲 read the “Knowing My Rules of Safety” over the loud speaker during morning announcements.
- 🚲 write a letter to the class/school thanking them for their support, tell them how training is going, explain what the training rides are like, tell them why you are participating in the ride, etc.

How to get involved:

- 🚲 Simply indicate interest to participate in the Adopt a Rider Program in the space provided below, detach and return to **School Committee – Ride 2008, NCMEC/NY, 275 Lake Ave, Rochester, NY 14608** or **fax to 242-0717**. A member of the Ride School Committee will then contact you with the adopting school’s contact information.
- 🚲 If a rider has a preference of a certain school, please indicate in the space provided below.
- 🚲 Participating Adopted Riders must be registered volunteers with NCMEC/NY and will be contacted by NCMEC/NY’s Volunteer Coordinator. A background check will be required.
