

## **NCMEC Rider Certification**

**Ride for Missing Children  
May 18, 2012**

### **A rider is certified if:**

1. He or she has participated in a NCMEC ride in a prior year.  
**or**
2. He or she has successfully participated in 2 training rides; completed the training rides without obvious difficulties like not being able to keep the required pace.  
**or**
3. He or she has been certified by the Safety & Training Committee or their appointee.

**A rider who has not met one of the above criteria is not certified and is not allowed to participate in the ride. Please understand this is a safety issue; we ride so close together we do not want to endanger any of the riders.**
